

**A. General Chair:**

1. IEEE International Conference on Mobile Ad-hoc and Sensor Networks (MSN), 2014
2. International Conference on Wireless Algorithms, Systems, and Applications (WASA), 2014
3. IEEE International GLOBECOM workshop on Complex Communication Networks (CCNet), 2011

**B. Technical Committee Program (TPC) Chair:**

1. IEEE International INFOCOM Workshop on Inter-Dependent Networks (Dyson), 2015
2. IEEE International INFOCOM Workshop on Dynamic Social Networks (Dyson), 2014
3. International Workshop on Computational Social Networks (CSoNet), 2013
4. International BodyNets 2013 Special Track on Cloud-assisted Cyber-Physical Systems (CCPS), 2013
5. IEEE International Symposium on Signal Processing and Information Technology (ISSPIT), 2012
6. IEEE International Wireless Communication and Mobile Computing Conference (IWCMC), Mobile Computing Symposium, 2012
7. IEEE International ICDCS Workshop on Simplifying Complex Networks for Practitioners (SIMPLEX), 2011
8. International Conference on the Dynamics of Information Systems (DIS), 2011
9. International Computing and Combinatorics Conference (COCOON), 2010
10. IEEE International GLOBECOM workshop on Complex Communication Networks (CCNet), 2010

**C. Tutorial Chair:**

1. IEEE International Conference on BioInformatics & BioEngineering (BIBE), 2007

**D. Workshop Chair:**

1. IEEE International Conference on Computer Communications (INFOCOM), 2015

**E. Student Travel Grants Chair:**

1. IEEE International Conference on Computer Communications (INFOCOM), 2014

**F. Technical Program Committee (TPC) Member:**

1. 2015
  - a. IEEE International Conference on Computer Communications (INFOCOM)
  - b.
2. 2014
  - a. IEEE International Conference on Computer Communications (INFOCOM)
  - b. IEEE International Conference on Distributed Computing Systems

- (ICDCS)
- c. IEEE/ASE International Conference on Social Computing (SocialCom)
- d. International Workshop on Complex Networks and their Applications (Complex Networks)
- 3. 2013
  - a. IEEE International Conference on Computer Communications (INFOCOM)
  - b. IEEE International Conference on Distributed Computing Systems (ICDCS)
  - c. IEEE/ASE International Conference on Social Computing (SocialCom)
  - d. International Symposium on Algorithms and Experiments for Sensor Systems (ALGOSENSORS)
- 4. 2012
  - a. International Conference on Complex Sciences: Theory and Applications (COMPLEX)
  - b. IEEE/ASE International Conference on Social Computing (SocialCom)
  - c. International Conference on Social Informatics (SocialInformatics 2012)
  - d. IEEE International Conference on Computer Communications (INFOCOM)
  - e. IEEE International ICDCS Workshop on Simplifying Complex Networks for Practitioners (SIMPLEX)
  - f. Complex Networks 12
  - g. International Conference on Combinatorial Optimization and Applications (COCOA)
  - h. International Symposium on Algorithms and Experiments for Sensor Systems (ALGOSENSORS)
- 5. 2011
  - a. International Conference on Advances in Mobile Computing & Multimedia (MoMM)
  - b. IEEE International Conference on Computer Communications (INFOCOM)
  - c. International Symposium on Experimental Algorithms (SEA)
  - d. International Symposium on Algorithms and Experiments for Sensor Systems (ALGOSENSORS)
  - e. International Conference on Digital Information and Communication Technology and its Applications (DICTAP)
- 6. 2010
  - a. IEEE International Conference on Computer Communications (INFOCOM)
- 7. 2009
  - a. IEEE International Conference on Mobile Ad-hoc and Sensor Networks (MSN)
  - b. International Symposium on Algorithms and Computation (ISAAC)
  - c. International Computing and Combinatorics Conference (COCOON),
  - d. International Conference on Combinatorial Optimization and

- Application (COCOA)
- e. IEEE International Performance Computing and Communications Conference, (IPCCC)
- 8. 2008
  - a. ACM International Symposium on Mobile Ad Hoc Networking and Computing (MobiHoc)
  - b. IEEE International Conference on Mobile Ad-hoc and Sensor Networks (MSN)
  - c. IEEE International Conference on Distributed Computing Systems (ICDCS)
  - d. ACM MobiSys Workshop on Systems and Networking Support for Healthcare and Assisted Living Environments (HealthNet)
  - e. International Conference on Wireless Algorithms, Systems and Applications (WASA)
- 9. 2007
  - a. International Conference on Bioinformatics and Computational Biology (BIOCOM)
  - b. International Conference on Data Mining, Systems Analysis and Optimization in Biomedicine
  - c. International Conference on Combinatorial Optimization and Application (COCOA)
  - d. IEEE International on Communications (ICC)
  - e. International Conference on High Performance Computing, (HiPC)
  - f. IEEE International Conference on Computer Communications and Networks (ICCCN)
